Rome's impressive 35-6 victory over Kell last Friday has the Wolves off to a great start and the high school football world is taking notice. Behind a strong offensive line and with the help of a stifling defense, Jamious Griffin racked up 235 yards rushing and four touchdowns.

USA Today has nominated Griffin in their Super 25 Top Star poll for week five and the community can vote for him to receive an award. Rome's standout back is among 13 other players recognized and our community can make sure he leads the others by voting before Thursday September 13 at noon.

The Wolves are still ranked in the USA Today Super 25 at the number 20 spot. Please help to recognize this young athlete and the accomplishments of the team by voting today. It is important to note that you can vote as many times as you would like for Griffin. Let's bring this award home to Rome!
