

Rome High School Volleyball Season Starts Off Strong

Rome High School's Junior Varsity and Varsity volleyball team started their season this past Saturday, August 18 at the Coosa High School Volleyball Tournament.

The Wolves played against Chattooga High School, Dalton High School and Cherokee County High School in a preliminary pool-play tournament, which breaks up competitors into smaller brackets where the top finishers of each flight advance to determine final standings.

Rome High School went into the tournament from the pool in fourth place, playing Douglas County and winning in set two. They then went on to play Coosa and lost in set two.

Head Coach, Alecia Parker noted how the team, overall, had a great day at the tournament. "Of course, there are some things that we still need to work on," stated Parker. "We need to be more consistent with our serves. We lost the serve at a crucial turning point in the sets. We are working on being more consistent with serve receive and attacking in practice but have seen a lot of progress in the last couple weeks."

"I am so excited for this season. We will continue to work towards our goals each and every day," said Parker.

Listed below is the remaining schedule for the Rome Lady Wolves Volleyball teams:
